

PRESS RELEASE

Wine Tasting and Silent Auction to Benefit Arizona Cancer Patients will feature The Pink Fire Truck

What: The Desert Cancer Foundation of Arizona hosts its 5th annual Wine Tasting and Silent Auction event to benefit uninsured patients in the state of Arizona.

Glendale Fire Fighter Dave Graybill with the pink fire truck and crew will be special guests at the event. Dave's Pink Firetruck and crew have driven all over the country to rally support for breast cancer survivors and research. The Pink Fire Truck represents hope and love for those affected by cancer, letting them know we care. Go to their website for more information, www.pinkheals.com

Proceeds from the event will help pay for mammograms for uninsured women over 40 and prostate screenings for uninsured men, as well as provide education and treatment resources for cancer patients and families in Arizona. A portion of the proceeds will go towards an endowment fund, for future care.

Area residents and businesses are invited to attend the Wine Tasting event and to participate as sponsors and donors.

When: Wine Tasting and Silent Auction, 4:00pm – 6:30pm, Sunday, April 10, 2011

Where: The Crowne Plaza San Marcos Golf Resort at 1 N. San Marcos Place in Historic Downtown Chandler.

Who: DCFA and participating sponsors will be donating funds for education, screenings and treatment resources for cancer patients in the state of Arizona.

Cost: Tickets are available at \$50.00 per person for this heartwarming event. Your contributions are tax deductible and lifesaving. Space is limited, so please register soon.

Public Contact: To register your attendance and more event information, please go to the website at www.desertcanceraz.org, and RSVP using the Events Tab. If you have questions about being a sponsor, donating silent auction items or contributions, please contact Paula Wirth at 480-857-6652, or Patti Bruno at 480-540-3293.

The mission of the Desert Cancer Foundation of Arizona is to provide education and treatment resources for uninsured cancer patients and their families in the state of Arizona.
