Carole Weishaar Founder's Award Nomination Form Guidelines

Carole Weishaar was the founder and first President of The Desert Cancer Foundation of Arizona, originally a project of the Soroptimist International of the San Tans. DCFA later became a stand-alone foundation to enable the organization to establish IRS 501c-3 status. Carole and her team wrote the original Bylaws and Articles of Incorporation. She led the group in a community needs assessment, and a mission statement was developed as a result: **“To provide cancer education, access to life-saving screenings and to secure treatment resources for the uninsured in Arizona.”**

Carole encouraged the establishment of an endowment to ensure future resources, and she led many of the fund raising efforts necessary to provide services for DCFA's uninsured constituents. She wrote many grants which provided monies for office infrastructure, mammogram, prostate and skin cancer screenings. A cancer survivor herself, Carole stressed the importance of education, prevention and wellness and led the charge in providing educational materials to participants in DCFA screenings and at community events. She served the DCFA in leadership roles for more than fifteen years.

The Founder's Award is dedicated to Carole Weishaar for her passion, her leadership, her commitment, and her long-term service to The Desert Cancer Foundation of Arizona and its mission.

- Inspiring, motivating and recruiting others to join in the work of The DCFA
