JOIN HANDS WITH BRIGHTON'S 16TH ANNUAL POWER OF PINK MOVEMENT!

At Brighton, we have a deep commitment to giving back to the communities that surround our stores. Join us in funding the breast cancer research, prevention and treatment that means so much to families who are touched by this disease.

Donations will go to breast cancer charities in local communities, throughout the U.S.

Since 2003, Brighton has raised more than \$6.4 million for breast cancer charities nationwide through the sale of our Power of Pink products. This year marks our 16th year in the journey to find a cure, bring hope to our communities, and make a difference.

Join us in our commitment to bring support to mothers, daughters, sisters and friends who are challenged by breast cancer.

For each 2018 Limited Edition Power of Pink bracelet purchased, Brighton will donate \$10 to support breast cancer research and awareness.
